

Amy DuRoss

Mayo Venture Partner

Amy DuRoss brings more than 25 years of leadership at the intersection of life sciences, pharma services, software, venture capital, private equity, and policy. She co-founded and served as CEO of Vineti, a pioneer in advanced therapy supply chain software, and has held senior leadership roles at GE Ventures and Navigenics.

Amy also played a pivotal role in creating and implementing California's \$8.5 billion stem cell initiative (Proposition 71) and served as Chief of Staff at CIRM. Amy serves on several boards and in advisory roles across life sciences and biopharma services, was a Health Innovator Fellow at the Aspen Institute, and holds MBA and MA/BA degrees from Stanford University.

Our primary value

The needs
of the patient
come first
