

Julie Henry, MBA

Chair - Business Development

Julie Henry is a chair in the Department of Business Development where her responsibilities involve collaborating with internal and external customers as a resource for guidance, oversight, coordination, and execution of unique and complex legal and contract agreement work related to agreements/opportunities emanating from Mayo Clinic Executive leadership and Mayo Clinic's respective governing boards.

Julie has been with Mayo Clinic for more than thirty years and has experience in all facets of the commercialization process including drafting, negotiating and management of agreements.

She received her BA in Biomedical Science from St. Cloud State University in St. Cloud, Minnesota and her MBA from University of St. Thomas in Minneapolis, Minnesota.

Our primary value

The needs
of the patient
come first
