

Janani Reisenauer, MD

Medical Director for Research Innovation

Dr. Janani Reisenauer is dual board certified in Cardiothoracic Surgery and Interventional Pulmonary Medicine and holds a dual appointment in surgery and pulmonary medicine at Mayo Clinic in Rochester, Minnesota. She is also the Vice Chair of Innovation in the Department of Surgery and the Director of the Center for Surgical Innovation at Mayo Clinic.

Dr. Reisenauer graduated from the University of Alabama Birmingham School of Medicine. She then completed her residency, and two fellowships at Mayo Clinic in Rochester, MN and has stayed on as consulting staff. She is a proud mother of two children and wife of an interventional radiologist. Dr. Reisenauer's research interests are primary focused on novel treatments and minimally invasive approaches to the treatment of thoracic disease, namely lung cancer.

Our primary value

The needs
of the patient
come first
