

# Olayemi Sokumbi, MD

Associate Medical Director - FL, Business Development

Olayemi (Yemi) Sokumbi, MD, serves as Associate Medical Director for the Department of Business Development at Mayo Clinic Florida, as well as an Associate Professor of Dermatology and Laboratory Medicine & Pathology in the Mayo Clinic Alix School of Medicine, Director of Clinical Practice in the Department of Dermatology, Chair for the Florida Mayo Medical School DEI Council, and Associate Program Director of the Mayo Clinic Florida Dermatology residency program.

Dr. Sokumbi is board-certified in dermatology and dermatopathology. She received her medical degree from Mayo Medical School in Rochester, Minnesota, where she also completed her preliminary year in internal medicine, her residency in dermatology and served as chief resident in her final year. Following residency, Dr. Sokumbi completed a fellowship in dermatopathology at the University of Texas Southwestern medical center in Dallas, Texas.

Her clinical and research interests include clinical-pathologic correlation of complex inflammatory skin disorders, quality improvement in dermatopathology, hidradenitis suppurativa, cutaneous lymphoproliferative disorders, and the development and assessment of deep neural network algorithms for diagnosis and image classification in dermatology and dermatopathology.

## Our primary value

The needs  
of the patient  
come first
